### ***Folded Cards***

- Tall (side fold) or horizontal (top fold)
- Printable on four sides (front, inside left, inside right, back)
- Envelopes included (white or parchment)

### ***Postcard Style – note: NOT A MAILABLE POSTCARD***

- Vertical or horizontal
- Printable on two sides (front and back)
- Envelopes included (white or parchment)
- These are not postcards with space for addressing; they come with envelopes for mailing

### ***Art Paper***

- Watercolor paper or linen paper available
- I recommend the glossy photo stock for cards with photos as this provides actual photo quality printing of the card

### ***Custom Design***

- I will design your card to your specification
- Provide me with the proofs to be used, color preferences, style preferences (formal, elegant, playful, child, etc.) and any text you want, and where (generally) you would like the elements placed according to the surfaces available on your style choice
- Or leave it up to me
- Proof will be emailed for approval and adjustments prior to printing

### ***Copyright Release to print your own card***

- \$50.00 for each proof released for limited greeting card printing only
- Copyright release for greeting card printing only, unlimited copies, for six months
- I will provide a printed release if you wish to take the digital image to a walk-in lab for greeting card printing
- Provide me with size and specifications
